Katy Keene, oh boy she's tops!
Gloria is jealous ad always flops!
Katy Keene is easy to find!
She's nice an pretty and very kind.

—Carolyn Munso, 104 Ball Ave.,
Carpentersville, Ill.

Katy has a date with Randy,
Sis thinks that's just dandy,
Because there will probably be some candy,
Right handy.

—By A Katy Fan at 350 A. St.,
Woodburn, Oregon

P.S. I Love Katy!

K is for her Kiss so sweet
A is for her Acting—can't be beat
T is for her Teeth so pearly
Y is for her Years so early

K is for her many a Knight
E is for her eyes so bright
E is for her endless beauty
N is for her name so cutie
E is for an exquisite queen
All together they spell KATY KEENE.

SIS THE CANDY KID

Sis is called the candy kid
To get some candy she'd tell a fib
She always eats the chocolate candy
That is brought to Katy by Randy
She always goes to Chubby's Sweet Shop
To buy herself a soda pop.

—By Patti Ann Scanlon, 62 Hillside Ave.,
(Age 14), Middletown, Connecticut

I'm sure you all know that Katy Keene,
Is America's number 1 pin-up queen,
Beautiful she is, oh yes,
We all know she is the best.

What magazine is the best by far?
The magazine of our favorite star.
She's America's lovely dream,
Sweet, beautiful, Katy Keene.

—By Linda Knight,
Lunenburg, Mass.
—Janet Sargent, 537 Beechwood St.,
Cohasset, Mass.

Here's a POEM FOR DITTO

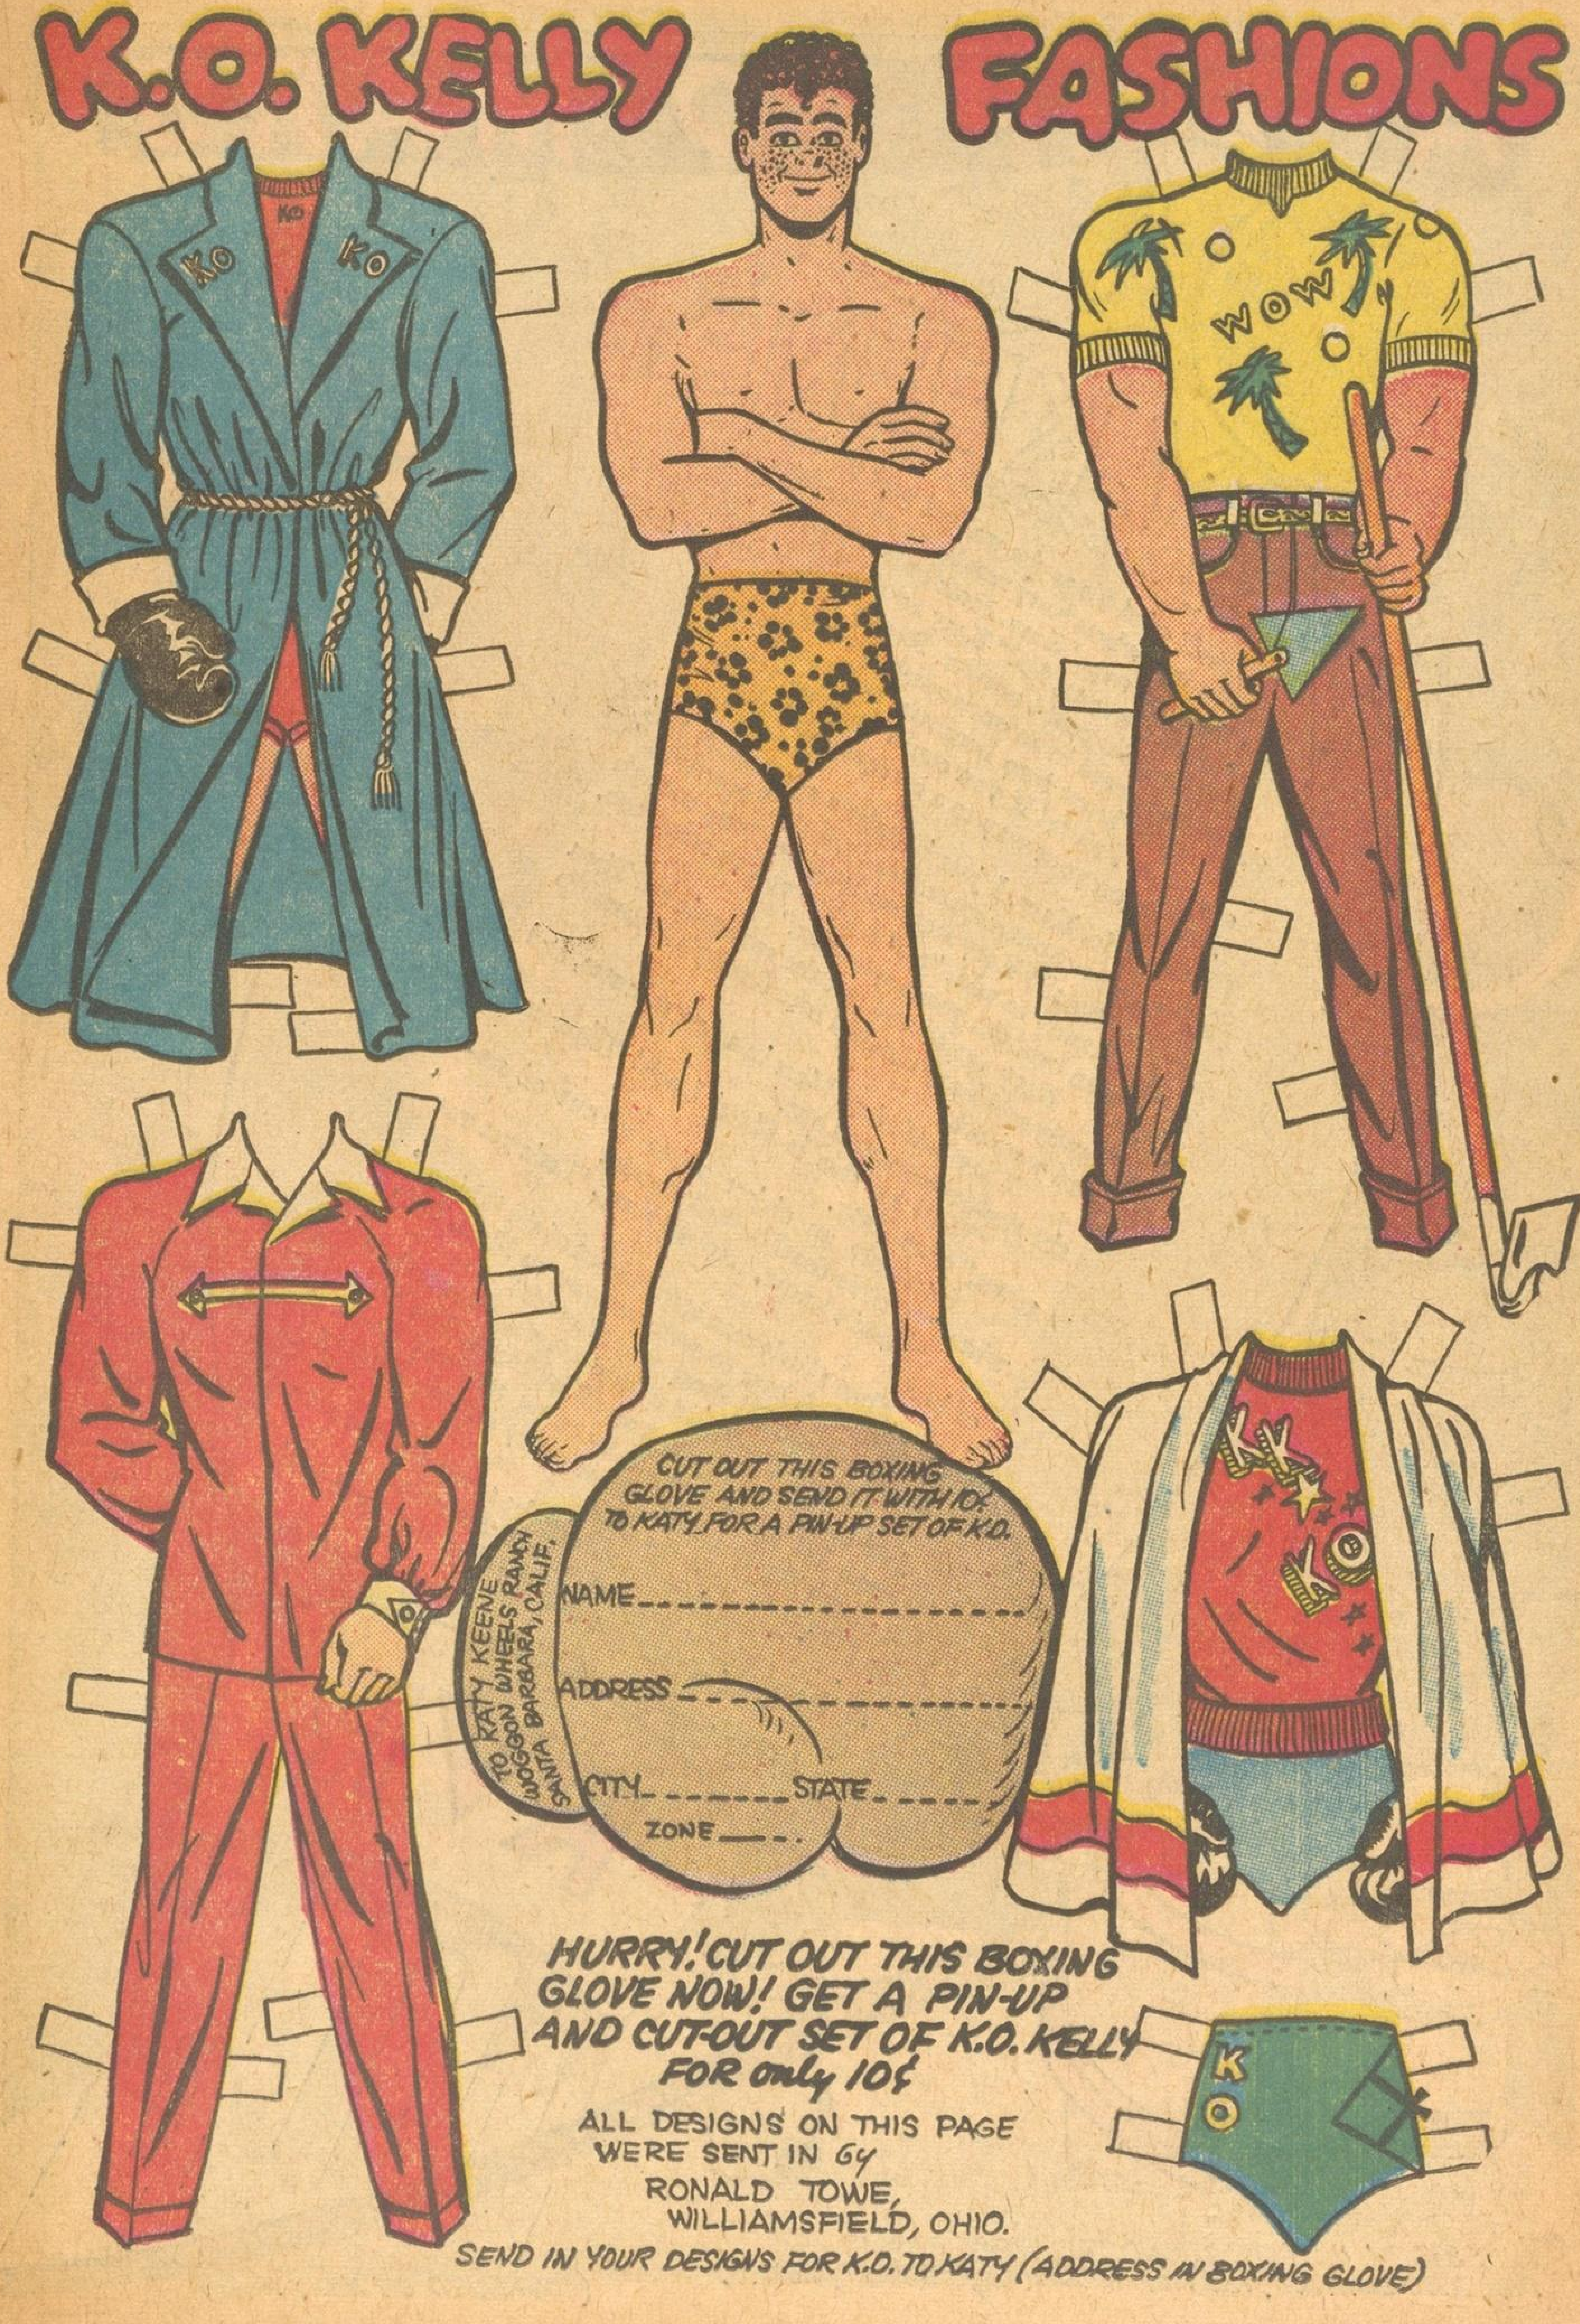

T'was Ditto's birthday but he forgot,
Silly Parrot are you not?
And Katy baked a great big cake
All for little Ditto's sake.

But K.O. came and brought some candy
Now wasn't that just fine 'n' dandy,
But Ditto ate too much of it
And really got himself real sick.

So Ditto didn't have any cake.
All he had was a Tummy Ache.

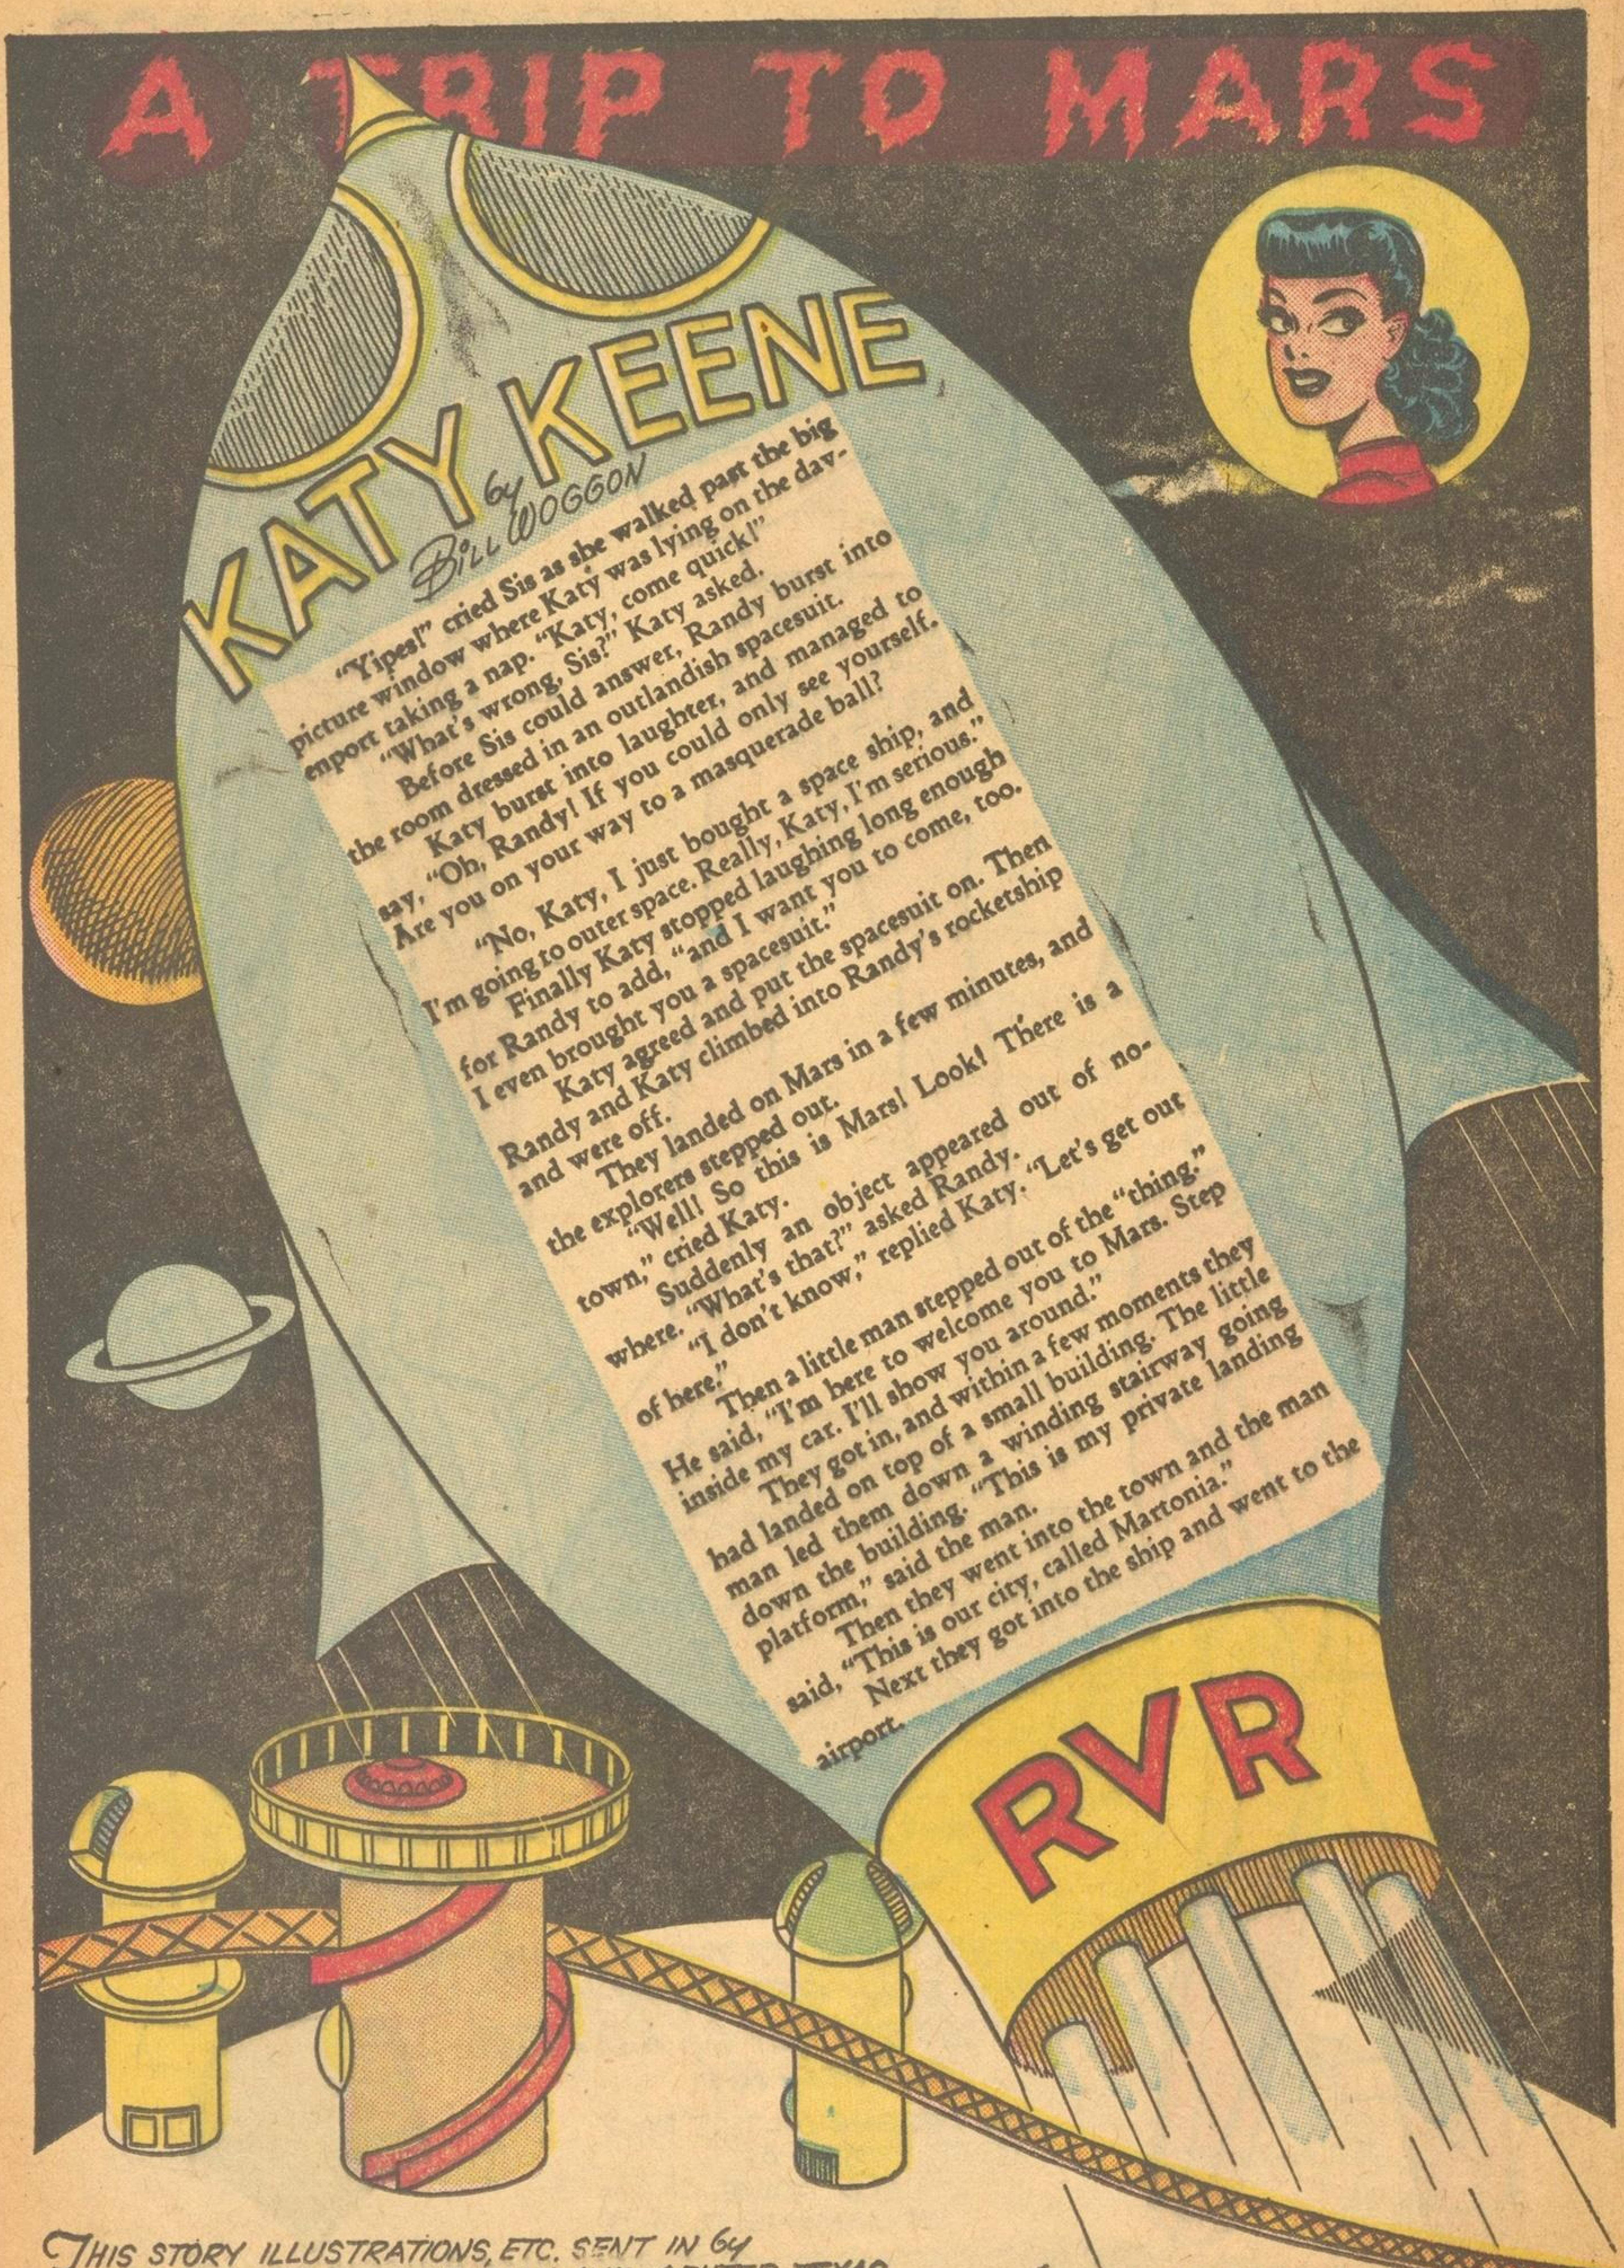

—By Rochelle Klein, 629 Rushton Rd.,
Soronto, Ont., Canada.

A TRIP TO MARS

KATY KEENE

by Bill Woggon

"Yipes!" cried Sis as she walked past the big picture window where Katy was lying on the davenport taking a nap. "Katy, come quick!"

"What's wrong, Sis?" Katy asked.

Before Sis could answer, Randy burst into the room dressed in an outlandish spacesuit.

Katy burst into laughter, and managed to say, "Oh, Randy! If you could only see yourself. Are you on your way to a masquerade ball?

"No, Katy, I just bought a space ship, and I'm going to outer space. Really, Katy, I'm serious."

Finally Katy stopped laughing long enough for Randy to add, "and I want you to come, too. I even brought you a spacesuit."

Katy agreed and put the spacesuit on. Then Randy and Katy climbed into Randy's rocketship and were off.

They landed on Mars in a few minutes, and the explorers stepped out.

"Well! So this is Mars! Look! There is a town," cried Katy.

Suddenly an object appeared out of nowhere. "What's that?" asked Randy.

"I don't know," replied Katy. "Let's get out of here."

Then a little man stepped out of the "thing." He said, "I'm here to welcome you to Mars. Step inside my car. I'll show you around."

They got in, and within a few moments they had landed on top of a small building. The little man led them down a winding stairway going down the building. "This is my private landing platform," said the man.

Then they went into the town and the man said, "This is our city, called Martonia."

Next they got into the ship and went to the airport.

THIS STORY ILLUSTRATIONS, ETC. SENT IN by FRANCES BARTLE, 120 NEWMAN AVE., CENTER, TEXAS.

(CONTINUED ON NEXT PAGE)

"This is our air-platform," explained the man. "It is what you call an airport."

"How odd it is!" exclaimed Randy.

"What's that?" asked Kady, motioning toward a round object flying overhead.

"That is our touring-ship," said the man.

"May we ride in it?" asked Katy.

"Yes, of course," replied the man. Then he pushed a button on board and their ship landed on a platform. Randy, Katy, and the man got into the touring ship and found some empty seats. As soon as the passengers were seated, it took off.

Katy said, "This is fun, but scary."

"Yes, I agree," said Randy.

"Those ditches down there are our canals," said the little man.

Finally the touring ship landed and the passengers stepped out. Katy said, "That was a wonderful ride."

"You can say that again!" exclaimed Randy.

Suddenly a siren on top of the air-platform began to sound alarms. The people rushed into the head office, Katy, Randy, and their friend with them. "What's the matter?" asked Katy.

"It's a raid from the Novans. They live on the other side of the planet," exclaimed the man.

Suddenly one of the Novans rushed into the room, carrying a huge sack. Katy screamed, and the Novan threw the sack over her and ran toward the door.

"Help! Randy!" cried Katy. "Help! Help!"

"Katy, wake up!" said Sis, shaking Katy, and pulling the curtain off her head where it had fallen.

"You must have been having a nightmare. You started screaming when the window curtain fell on you," said Sis.

"I was," said Katy. "And I'm very glad it was only a dream."
